

# We're Moving!

## **The Laramie County Planning & Development Office is moving to Archer!**

We are still working out the details so we don't have the dates firmed up yet, however we'll announce it once it's determined.

You may want to call us at 307-633-4303 before your next visit just to make sure that we're still at the downtown location.

Keep checking our website at [laramiecountyplanning.com](http://laramiecountyplanning.com) for the up-to-date information. We will be posting office closure information when it becomes available.

Thank you!
